### Upcoming meeting with officer from NHS Sussex ICB

---

As of the meeting date we have not yet heard from Amy Galea, Chief Integration and Primary Care Officer. At a previous meeting with Julia Homestead she heard about HSAG representing a large number of unhappy Hill Surgery patients, and wanted to meet with us to hear their concerns.

---

### Resignation of Victoria Peckham

---

We were disappointed to be informed that VP had contacted MG prior to tonight's meeting to tender her resignation in writing, due to ongoing mental health issues. We thank Victoria for her efforts on behalf of the HSAG committee and wish her all the best for the future.

---

### HSAG Website

---

The HSAG website is now live. All committee members have had an opportunity to review the format and have complimented MG on the professional look of the website.

PR will continue to check details and make any minor changes thought necessary, in particular the HSAG logo, which needs finalising.

NA will publish the QR code and website internet address on the NextDoor group header, as well as encourage HSAG members on NextDoor to register with the new HSAG website.
